### CENTRAL EVANGELICAL CHURCH

Sunday school begins promptly at 9:30. The music is furnished by an excellent orchestra of twelve pieces under the able leadership of Mr. Timbs.

The lesson for next Sunday is Paul's last journey to Jerusalem, found in Acts 20:1 to 21:17.

The pastor will speak on "The Second Mile" at the morning service that begins at 10:45. The choir will render the anthem, "O Loving Father," Teresa Del Riego. Mrs. P. G. Briney is the efficient choir director. Besides the number by the choir there will be other special music.

In the evening the pastor will speak on "Getting Ready for the King." A men's quartette will sing at this service.

The Thursday evening prayer meetings are being well attended. Mrs. John Salm will present the lesson this week. Robert Spencer is class leader.

The choir rehearses Wednesday evening, while the orchestra practices on Friday evening. If you play or sing, we invite you to join one or the other of these musical organizations, and thus do your bit to help the cause of the kingdom. The public is invited to attend all services.

Francis A. Zeller, Pastor.

### TRUSTEES

on its first reading.

Ordinance No. 12, regulating the keeping and running at large of certain animals and providing for a dog license was also given its first reading. This ordinance fixes a dog tax of \$2.00 per year for each male or spayed female dog, and \$4.00 per year for each unspayed female, and prohibits the running at large of female dogs in season. The ordinance also gives the Board of Trustees the power to order all dogs muzzled in case of such an emergency as an epidemic of hydrophobia. It also provides that all dogs whether confined upon premises or not must be licensed and bear a tag. This ordinance becomes effective about December 1 and the marshal especially requests that the tags be procured from the city clerk by that time.

In order to "Hooverize" the city funds, these ordinances and others as advisable are to be posted in three conspicuous places instead of printed, as heretofore.

A resolution was adopted calling for bids on the street improvement to be made on Tract 4070, known as Vista Highlands. These bids are to be opened at the next regular board meeting, November 1.

There being no further business, the meeting was adjourned.
